Ripe Riesling ensures rich fruit flavours and a little Pinot adds the distinctive pink colour. Summer Love has an exciting spritz and is surprisingly moorish. In 375ml and 750ml bottles.

Estate grown Pinot Gris. Look out for hints of pears and summer fruits. The palate has spice influences and a supple finish to enjoy. Will cellar well for 2 years.

Our new Rosé was made entirely from ripe Pinot Noir grapes. Rosé lovers will find delicate strawberry flavours, then sweet fruit Pinot Noir hints on the back palate.

An elegant Marlborough Sauvignon Blanc which exhibits tropical fruit flavours of guava and pineapple. The palate is well balanced and has great minerality with fine acidity.

Prime estate grown Pinot Noir. Grapes were hand harvested and then aged in new French oak barrels to add to the complexity and balance of the wine. Spice and cherry flavours.
