

MELTON ESTATE

SUMMER LOVE®

2023 CANTERBURY

Winemaking Notes

Prime Riesling and Pinot Noir were carefully picked with constant attention to quality. After pressing, the clear juice was racked and natural yeast was added. The wine was kept at 12°C to ensure the maximum retention of aromatics. After racking from gross lees, around 5% of Pinot Noir was added. Finally, the wine was filtered and bottled in July 2023. A great vintage!

Tasting Notes

Summer Love® Sparkling is the signature celebration wine from Melton Estate. Baby pink in colour, with light floral notes of honey suckle, lychee, strawberries, red fruits and cherry blossom. A real treat for the taste buds; lively and refreshing, and as such a favourite for any celebration. In 2023 we released as 750ml bottles and 330ml cans. Enjoy as we do!

Cellaring Notes

Drinking well now and will cellar for 5 years. Available from the Melton Estate Cellar Door and via online orders at www.meltonestate.co.nz.
