

MELTON ESTATE

ROSÉ

2023 CANTERBURY

Winemaking Notes

The 2023 Melton Estate Rosé is made from premium grapes from vineyards in Canterbury. Combining Pinot Noir for colour and taste, and also Riesling for texture.

Grapes were gently harvested then off to the winery where the fruit was crushed and the skins allowed to remain in contact with the juice for 24 hours, thereafter fermented in stainless steel tanks. Finally the wine was filtered and bottled in November 2023.
